Dear Parents:

The Carbon Lehigh Intermediate Unit #21 (CLIU) provides students with a program in Driver Education. We offer classroom theory courses and our Behind-the-Wheel (BTW) program throughout the school year. BTW is available to students that hold a valid learners permit. The Behind-the-Wheel instruction is given in a dual-control car, which has a brake pedal for the instructor's use as well as other special safety equipment. Our goal in providing this program is to prepare competent, skillful, and responsible young drivers who will have the right attitude toward safe driving and will, therefore, assist in reducing accidents on the streets and highways.

The CLIU program consists of:

1. Six one-hour sessions will cost **\$325.00**. Payment is due prior to scheduling.
2. One of our instructors may administer the State Driver's License Test in the final lesson only if all these conditions are met: the student has completed a 30-hour Driver Theory Class, the student has completed the skills required for testing, and the student lives in a participating school district.
3. If the above conditions are not met your child may still take six hours of instruction and then schedule with the Pennsylvania Department of Motor Vehicles for their Driver's Test.
4. All session cancellations must be made **24 hours** before the scheduled session or a **\$25.00** charge will be incurred. Instructors will wait ten minutes for a student to show up. After that time, the session will be considered a missed session with a charge of **\$25.00**. Failure to bring a valid permit to the lesson will result in a cancelled lesson and incur a \$25.00 fee.
5. If you feel your child needs extra lessons, an extra lesson can be scheduled for \$55.00 per lesson.
6. The students will be picked up at the CLIU in Schnecksville or the Parkland High School in Allentown.
7. Upon the completion of the BTW program your child will receive their certificate which can be used for insurance purposes for participating insurance companies.

To register your child for the Behind-the-Wheel course you will need to:

1. **Complete the registration form and submit payment at cliu.org.**
2. **Print the "The Parent Consent Form", sign and date and have your child give it to their instructor at their first lesson.**
3. **Must bring a photocopy of their permit to their first driving lesson. If you have any additional questions, please contact the CLIU #21 Driver Ed office at 610-769-4111 ext. 1299 or (800) 223-4821 ext 1299.**
